WHAT IS THINK BUSINESS?

The Business Enterprise Centre St George & Sutherland Shire (BEC), together with Doltone House Sylvania Waters, have answered a great need in the Southern Sydney business community to create the Think Business, B2B Event. It combines a Business Expo, Workshops and sponsored activities including a Business Lunch, Cocktail Party and Breakfast, hosted by Doltone House in Sylvania Waters.

This Event is aimed at all level of business from start ups to successful, established businesses with high turnover, as well as any businesses interested in increasing their market share in the South of Sydney.

OUR AIM IS

- To foster and deepen positive, sustainable relationships within the local business community.
- To assist you to find your perfect business match.
- To increase sales and grow your market share.
- To consider how you will do business in the future – how and what.
- Create an environment where business people can create meaningful business alliances.

FEEDBACK THINK BUSINESS 2010

73.3% of those who attended the expo thought it was either Excellent or Above Average.

“I have to say the atmosphere was inviting, all the business owners with stalls just seemed to be super engaging and very approachable, and were willing to give their time when I approached their stalls. I look forward to next year’s event.” Shelley Britton, expo attendee

82.7% thought the Corporate Events were either Excellent (54.3%) or Above Average (28.4%)

91.25% thought the Corporate Events were either Good Value for Money (60%) or Average (31.25%)

“The event was very well run, extremely well presented and very professional. I have heard since from people who weren’t there that they regret not going so this is a fantastic sign. Congratulations to Maria and the team for all the hard work.”

87% of workshop attendees thought they were either Excellent or Good (48% Excellent; 39% Good)

“I learned a lot of things in that presentation that improved my networking skills, which I am currently using when attending networking events.”

DOLTONE HOUSE

Experience Doltone House's hospitality at its finest by attending any one of the three major functions, lunch, cocktail party and breakfast.

Doltone House is a spectacular location for meetings, conferences and events for 10 to over 750 delegates. Discover a timeless classic, a private place and secluded location. The elegant atmosphere of Sylvania Waters has charmed guests over time since 1968. Sylvania Waters is one of the exclusive prestigious locations in the Doltone House venue collection. Well known for its many beautiful waterfront properties, the suburb is built around Gwawley Bay and is characterised by a 'quay style' ambience.

The foyer frontage and the waterfall feature is a great first impression leading to a great impression of our dedication to excellence. There are two event spaces located on the upper level. The well maintained parquet floors and original timber bar areas offer a uniqueness that may be used separately portioned into two areas. Each area has its own bathroom facilities and break out rooms.

VISITORS TO THINK BUSINESS

Our target audience is Southern Sydney business owners, department managers and leading decision makers across all sizes and industries. We are also targeting Greater Sydney, Illawarra based & regional companies interested in extending their market share in the south of Sydney.

Southern Sydney has a wide range of un-tapped potential in all sizes of businesses and across many industries. This event will promote and support local suppliers to meet and utilise each other's services and contacts, in a low cost networking environment including seminars and workshops. Southern Sydney is ripe with opportunities with its close proximity to Sydney Airport, Port Facilities at Port Botany and Transport Infrastructure.
